"Blasphemy"

I am the god of gods
Master of the arts
I desecrate the chaste
Writhe in the flesh

Blasphemy

Chant the blasphemy
Mockery of the messiah
We curse the holy ghost
Enslaver of the weak
God of lies and greed
God of hypocrisy
We laugh at your bastard child
No god shall come before me

Blaspheme the ghost
Blaspheme the ghost
Blaspheme the ghost
Blasphemy of the holy ghost

Do what thou wilt shall be the whole of the law
Rebel against the church
Drink from the chalice of blasphemy
Rise up against the enslaver
