[Lyrics - Vincent; Music - Azagthoth]

War-kills on the land
Blood-saturates

Hallowed ground
To which my fathers fell
Rebel souls
Buried deep beneath
This hallowed ground
Land of my ancestry
Drink the blood
Rebel lands rise again

War-death lingering
Blood rivers flow
In sacrifice

Unholy war
Implored from below
No peace as
rebel lands rise

[solo Azagthoth]

Quaking below my feet
Mortals shall suffer defeat

Forgotten evils below
Rejoice as the blood flows

[solo Brunelle]
[solo Azagthoth]
