Rise through the gate, Iak Sakkath
From depths beyond the sky
The realm of evil Gods
Painful, eat your mind

Evil undisguised
Breathe in pain
Blackened souls remain

Ghouls who pray death of God
Destroy Jehovah's church
Vomit upon the cross
And burn Book of Lies

Evil undisguised
Breathe in pain
Blackened souls remain

Ghouls who pray death of God
Destroy Jehovah's church
Vomit upon the cross
And burn Book of Lies

Evil undisguised
Breathe in pain
Blackened souls remain

Yog Sothoth evil one
Come forth, taste the blood
Infant entrails
Are hung upon the twisted cross

Evil undisguised
Breathe in pain
Blackened souls remain
