What would I do if I was you?
I'd come out and say what I'd wanna do I'd be a man
you'd never be
So why don't you get up and groove with me?
Give it up, give it out Let it run, let it shout
Stayin' alive to survive
Being pretty
Feeling cheek, like a freak
You won't jump to the beat
Let your young hearts run free

CHORUS: Everybody c'mon let's get
G-A-Y, G-A-Y (Oooh,ooh, ooh)
Drunk* or better kiss yourselves and say goodbye,
G-A-Y What would you do if you were me?
Are you ready to face what you wanna be?
Enough is enough when it's just too long
So get up and go out and get it on
Give it up, give it out
Let it run, let it shout
Stayin' alive to survive
Being pretty
Feeling cheek, like a freak
You won't jump to the beat
Let your young hearts run free

CHORUS
G-A-Y Good
As You G-A-Y Good As You
CHORUS x 3
C'mon everybody
C'mon everybody Kiss yourselves goodbye
