Humidity is rising
Barometer's getting low
According to our sources
The street's the place to go

Cause' tonight for the first time
Just about half past ten
For the first time in history
It's gonna start raining men

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
Hallelulah
It's raining men
Amen

Humidity is rising
Barometer's getting low
According to our sources
The street's the place to go

Cause' tonight for the first time
Just about half past ten
For the first time in history
It's gonna start rainin men

It's raining men
Hallelulah
It's raining men
Amen

I'm gonna go out
I'm gonna let myself get
Absolutley soaking wet

It's rainin men
Hallelulah

It's raining men
Every special men

Tall blonde dark and lean
Rough and tough and strong and mean

God bless Mother Nature
She's a single woman too
She took over heaven
And she did what she had to do

She fought every Angel
To rearranged the sky
So that each and every woman
Could find the perfect guy

It's raining men

Don't get yourself Weather Girls
I know you want to

I feel stormy wheather moving in
About to begin
Hear the thunder
Don't you loose your head
Rip off the roof and stay in bed
(Rip off the roof and stay)

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
Hallelulah
It's raining men
Amen

It's raining men
It's raining men
It's raining men
