Donde esta el hombre  
con fuego en la sangre

Ive got a secret.I cannot keep it  
Its just a wisper of a distant memory  
Just a dream or so it seams  
Take me back to the place id rather be

You left a fire in my eyes  
That lightens up the darkest skies  
Im giving up im letting go  
I'll find my way so

[Chorus]  
Take me back to my sweet lavidia  
Find my love my dolce vita  
Show me where i need to go  
Donde esta mi chico latino  
La la la la  
Ay-y-y-ay  
La la la

Stolen moments time has broken  
My eyes ares open to this life-long mistery  
And so i'll go with what i know  
Take my chances and run with destiny

Now there's fire in my eyes  
I'll break away and say goodbye  
Im free to be im letting go  
I'll find my way so

[Repeat chorus]

Ay-y-y  
Que sueno, dulce y pequeno  
Yo no se yo no se  
Pero no es un cuento  
Mi corazon con tormento  
Chico latino te quiero y simplemente deseo  
Yo lo se el camino

Es un sueno latino

[Repeat chorus]

(Take me back to my sweet lavidia)

Take me back

Find my find my find mylove my dolce vita

Show me where i need to go

Donde esta mi chico latino
