Don't blame me  
I'm crazy  
Pmt and I'm young  
Don't hate me  
That's lazy  
Plenty more work to be done

I'm cravin'  
I'm ravin'  
Mad about the thing that you do  
Oh baby  
Just save me  
I'm giving it up for you

You can't stop me  
I can't help it

Playing with my new philosophy  
Livin' it up with my intuition  
Getting on down is my new therapy  
Working you out is my new religion

Ba, ba ba ba ba ba ba, ba-ba-ah  
Is my new religion  
Ba, ba ba ba ba ba ba, ba-ba-ah  
Is my new religion

Not crazy  
Well maybe  
Insanity's been a friend  
Unruley  
So sue me  
You're driving me down the bend

Don't choke me  
Provoke me  
I'm looking for something new  
Oh baby  
Just save me  
Give me that thing that you do

You can't stop me  
I can't help it

Playing with my new philosophy  
Livin' it up with my intuition  
Getting on down is my new therapy  
Working you out is my new religion

Ba, ba ba ba ba ba ba, ba-ba-ah  
Is my new religion  
Ba, ba ba ba ba ba ba, ba-ba-ah  
Is my new religion

(I get on down, get on down, I get on down)  
Uh, uh, uh, I get on down  
(I get on down, get on down, I get on down)  
Uh, uh, uh, I get on down  
(I get on down, get on down, I get on down)  
Uh, uh, uh, I get on down  
(I get on down, get on down, I get on down)  
Uh, uh, uh, I get on down!

Playing with my new philosophy  
Livin' it up with my intuition  
Getting on down is my new therapy  
Working you out is my new religion

Ba, ba ba ba ba ba ba, ba-ba-ah  
Is my new religion  
Ba, ba ba ba ba ba ba, ba-ba-ah  
Is my new religion

Geri halliwell has left the building
