### "One Of These Girls"

Visit "[One Of These Girls](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Owwww!

One of these girls is doing their own thing, uhh ohh!

One of these girls is just not the same!

You think she's sweet, all pretty in pink,

But you better beware, 'cause I ain't what you think!

(emma)

I'm always searching for a good time, not on a day,

She gets down in unusual ways,

Getting my kicks, being naughty and cheeky!

Dream on, babe your just freakin', oh,

When we got together we just come as a one,

Doing mmmmn, mmmmn and a whoah yeah!

One of these girls is doing their own thing,

One of these girls is just not the same.

I said a, even though we are doing our own thing,

Can't you see we're all playing a game.

Uh oh!

Taking pride in myself, in the clothes that I wear,

She's only teasing to make you stare.

She likes to do what the boys do, getting dirty on the  
pitch,

Chanting with the cup crew.

When we got together we just come as a one,

Doing mmmmn, mmmmn and a whoah yeah!

One of these girls is doing their own thing,

One of these girls is just not the same.

I said a, even though we are doing our own thing,

Can't you see we're all playing a game.

Uh oh!

Pushing in the clubs, queue jumping, giving all the  
boys the grief,

Giving lots of cheek and attitude, keeping our lovin'  
brief.

Pushing in the clubs, queue jumping, giving all the  
boys the grief,

Giving lots of cheek and attitude, keeping our lovin'  
brief.

You think they've got it? well I've got it, you've always  
got it!

No way they won't get it, ohhh, ( come on, ) ohhh

When we got together we just come as a one,

Doing mmmmn, mmmmn and a whoah yeah!  
One of these girls is doing their own thing,  
One of these girls is just not the same.  
I said a, even though we are doing our own thing,  
Can't you see we're all playing a game.  
(echo)  
One of these girls is doing their own thing,  
One of these girls is just not the same.  
(echo)  
I said a, even though we are doing our own thing,  
Can't you see we're all playing a game.  
(repeat last 4 lines (echo off) and fade )
