VERSE 1

Â gives life and He takes it away
He is Â Potter and I am Â clay
When I view Â last sunset and cross over Â sea
I know Â sunrise will be waiting for me
Â

Chorus

Oh what Â sunrise it's going Â be
Death will lose it's sting, Â grave it's victory
Â silence will be broken, Â storm clouds rolled away
I hear Â saints and angels singing on our homecoming
day
Â

Verse 2

Time will come for Â last goodbye
There's Â smile though tears dim Â eye
Death will take us, but only Â sleep
In Â arms of my Saviour so sweet
