OK, OK, nothing can get me down
No way, no way, no, not today, no
OK, OK, nothing can get me down
No way, no way, no, not today, no
OK, OK, nothing can get me down
No way, no way, no, not today
No way, no way

Wave my troubles bye bye
Bye bye bye bye bye bye
No worry on our side bye bye
Bye bye bye bye bye bye
Can't conquer I
Bye bye bye bye bye bye
No, not this time
Bye bye bye bye bye bye

When I sing a happy song
Everybody sing along
...

Bye bye bye bye bye bye
No worry on our side bye bye
Bye bye bye bye bye bye
Can't conquer I
Bye bye bye bye bye bye
No, not this time
Bye bye bye bye bye bye
