(Chorus)

Baby You

Baby You

Baby You Make Me Weak

Baby You

Baby You Control My Chemistry

Baby You

Baby You

Baby You Make Me Weak

Baby You Make Me, Make Me, Make Me Weak

Weak, Weak, Weak In My Knees

What What You Do To Me

This This This Can't Be Real

I Used To Be So Strong

Got Got Me Mesmerized

Go Go In Out My Mind

I'm I'm Repeating Lines

Repeating Lines Oh-oh-oh

No One Could Do Me Like You

No One Could Move Me Like You

No One COuld Ooo Me Like You

No One, No Way Oh-Oh-Oh

No One Could Know Me Like You

No One Could Show Me Like You

Show Me The Way True Love Should Be

And Baby

Baby You

Baby You

Baby You Make Me Weak

Baby You

Baby You Control My Chemistry

Baby You

Baby You

Baby You Make Me Weak

Baby You Make Me, Make Me, Make Me Weak

Ooo Ooo You Turn Me On

Can't Can't Can't Wait For Long

When When You Come Around
I Have To Have You Now
Ok, Ok I Want You Only
Love To Kiss You
And Show You How I Missed You Baby

Baby You
Baby You
Baby You Make Me Weak
Baby You
Baby You Control My Chemistry
Baby You
Baby You
Baby You Make Me Weak
Baby You Make Me, Make Me, Make Me Weak

Weak Weak Losing Sleep
You Make Me So
Weak Weak Baby Keep Loving Me
Oh-oh-oh
Weak Weak Losing Sleep
You Make Me So
Weak Weak Baby Keep Loving Me
Oh-Oh-Oh

Baby You
Baby You
Baby You Make Me Weak
Baby You
Baby You Control My Chemistry
Baby You
Baby You
Baby You Make Me Weak
Baby You Make Me, Make Me, Make Me Weak

Baby You
Baby You
Baby You Make Me Weak
Baby You
Baby You Control My Chemistry
Baby You
Baby You
Baby You Make Me Weak
Baby You Make Me, Make Me, Make Me Weak
