Driver said set your trap
Like the cream to the top... I rise
No man shall not tender
Bitter heart... bitter thoughts...
Live them all in the past... cause I got no time linger

Hook:

Life is a winding road
Nobody knows the pain I known
Jah jah alone can keep me strong
And carry me through streets and alleys
Over hills and valleys and trod-trod-trodding along

Chorus:

And I'm still smiling... smiling... smiling through the
pain
I'm still smiling... smiling... smiling through the rain
I'll smile... til I'm whole again
Smile...
Yea it's gonna be... gonna be fine... gonnna be fine...
gonna be (3x)
Jah jah shine on me

Verse 2:

Always dark before the light... they will ever follow night
So I'll wait... wait until the morning

Hook:

Life is a winding road
Nobody knows the pain you've known
Jah jah alone can keep you strong
And carry you through streets and alleys
Over hills and valleys and trod-trod-trodding along

I'm holding on... I'm still still holding on
Evil coulda never make me fall
I'm staning tall through it all

I'm still standing (2x)
