This time, you have to face your future
Although it's just a dusty road
It's clear that backing down don't suit you
I'd hate, to break your sacred code
People, along for the ride
High noon, getting closer

I think you'll find, everybody loves a loser
So you'll be fine, you won't be lonely long
I think you'll find, everybody loves a loser
So you'll be fine, you won't be lonely long

I see, you need a trial of fire
A coward would wisely walk away
Help them, help us bide your time
Hideouts get discovered
I think you'll find, everybody loves a loser
So you'll be fine, you won't be lonely long
I think you'll find, everybody loves a loser
So you'll be fine, you won't be lonely long

I think you'll find, everybody loves a loser
So you'll be fine, you won't be lonely long
I think you'll find, everybody loves a loser
So you'll be fine, you won't be lonely long
