"Fear And Love"

We always have a choice
Or at least I think we do
We can always use our voice
I thought this to be true

We can live in fear
Extend ourselves to love
Or we can fall below
Or lift ourselves above

Fear can stop you loving
Love can stop your fear
Fear can stop you loving
But it's not always that clear

I always try so hard
To share myself around
But now I'm closing up again
Drilling through the ground

Fear can stop you loving
Love can stop your fear
Fear can stop you loving
But it's not always that clear

I'd love to give myself away
But I find it hard to trust
I've got no map to find my way
Amongst these clouds of dust

Fear can stop you loving
Love can stop your fear
Fear can stop you loving
Love can stop your fear

Fear can stop you loving
Love can stop your fear
Fear can stop you loving
But it's not always that clear

But it's not always that clear
But it's not always that clear

But it's not always that clear
