I heard I lost it  
On the grapevine.  
I must admit  
I had a great time.

There are words for people like me  
But I don't think there's very many.

I've gained the world then lost my soul,  
Maybe it's cause I'm getting old.  
All the people that I know  
Have gained the world then lost their souls.

There's no persuasion that I'm into,  
I've made some sense of what we've been through.  
We should form a new foundation  
If we could find the right location.

Is it prey  
On display?  
I'm feeling weak.

I've gained the world then lost my soul,  
Maybe it's cause I'm getting old.  
All the people that I know  
Have gained the world then lost their souls.  
I've gained the world then lost my soul,  
Maybe it's cause I'm getting old.  
All the people that I know  
Have gained the world then lost their souls
