Skye

Hey, musicman just play something cool
We love the sunshine to dance by the pool
Down with the crew known to pump up the bass
We rock the joint at a cool steady pace

Love sweet love
Just a little understanding
Up above
Way down deep inside
Love sweet love
Just a little understanding
Up above
Way down deep inside

Rock and roll music's a thing of the past
We blow up the spot and get caught in the blast

Love sweet love
Just a little understanding
Up above
Way down deep inside
Love sweet love
Just a little understanding
Up above
Way down, deep inside

Wow, wow yehe
Wow, wow yehe
Wow, wow yehe
Wow, wow yehe

Mr complex

Huh huh
Morcheeba
Huh, yes yes you're like that

As a matter of fact
Twist to kiss like this
Huh, it's fat like a christmas list

And I suck your stocking
Keep on rocking
It's not too shocking
I got your pop rockin'
Huh huh
The party got your body jammin'
Love sweet love
In a moving understanding

Skye

Love sweet love
Just a little understanding
Up above
Way down, deep inside
Love sweet love
Just a little understanding
Up above
Way down deep inside

Love sweet love
You know it doesn't get demanding
Up above
Get down deep inside
Love sweet love
Just a litte understanding
Up above
Way down deep inside

Mr complex
?????!!

Wow, wow yeh
Wow, wow yeh
Wow, wow yeh
Wow, wew yeh
