I think I slip the net  
But I cut myself free  
I'm not losing yet  
So, don't forget me

I'll say it, replay it, and try tomorrow  
I'll say it, replay it, and live with sorrow

You'd think I learn by now  
There's never an easy way  
I get through somehow  
I'm on my knees to pray

You'd think I learn by now  
There's never an easy way  
I get through somehow  
I'm on my knees

I'll admit I'm wrong  
But I'm getting on track  
I've been here too long  
I'm under attack

I place it, replace it, and try to change  
I place it, replace it, and rearrange

You'd think I learn by now  
There's never an easy way  
I get through somehow  
I'm on my knees to pray

You'd think I learn by now  
There's never an easy way  
I get through somehow  
I'm on my knees to pray

On my knees to pray

I think I slip the net  
But I cut myself free  
I'm not losing yet  
So don't forget me

I'll say it, replay it, and try tomorrow  
I'll say it, replay it, and live with sorrow

You'd think I learn by now  
There's never an easy way  
I get through somehow  
I'm on my knees to pray

You'd think I learn by now  
There's never an easy way  
I get through somehow  
I'm on my knees to pray  
I'm on my knees to pray

On my knees to pray  
On my knees to pray
