Sun shines
They must've made the hay
Hey, make the hay
Got mounting bills
You need to pay
No time to play

There's no such thing
As a self made man
'Cause everyone
Needs a helping hand

There's no such thing
As a self made man
Enjoy the floors
In the best laid plans

Though sacrifices all the way
All along the way
Indulge in vices so cliché
Shame it's so cliché

There's no such thing
As a self made man
It's not too hard
To understand

There's no such thing

As a self made man
Enjoy the floors
In the best laid plans

Now, all your friends
Have flown away
Flown, flown away
You blew your chances
All away
Blown, blown away

There's no such thing
As a self made man

'Cause everyone
Needs a helping hand

There's no such thing
As a self made man
Enjoy the floors
In the best laid plans

No such thing as
A self made man
No such thing as
A self made man
