Tape loop, keeps on turning round, forever
Patience, love is coming 'round for your pleasure

Wait now, no use trying to push, there's no need
People, go against the grain, with their greed

I've been here before, it ain't gonna work no more
I've been here before, it ain't gonna work no more

Focus, your mind will be strong, no distractions
Soak up wisdom all year long, and then take action

I've been here before, it ain't gonna work no more
I've been here before, it ain't gonna work no more

I've been here before, it ain't gonna work no more
I've been here before, it ain't gonna work no more

I've been here before, it ain't gonna work no more
I've been here before, it ain't gonna work no more
