The skill it takes to create
The pill to gab a nice date
I'm thrilled to get this laid on
I've spilled my last cradle song
Oh, you won't feel insecure
for sure

I've got the medicine, to suit the mood your in
I've got the antidote here
My friend will let us in, no matter where we've been
I've got the antidote here

Go get a hit, eternal licks yeah
We'll fix a mixture now
Go get a hit, eternal licks yeah
We'll fix a mixture now

You've served your country so well
Usurped by their own personnel
On that, on that bombshell
Pray tell

I've got the medicine, to suit the mood your in
I've got the antidote here
My friend will let us in, no matter where we've been
I've got the antidote here

Go get a hit, eternal licks yeah
We'll fix a mixture now
Go get a hit, eternal licks yeah
We'll fix a mixture now

Go get a hit eternal licks yeah
Go get a hit
Go get a hit lets fix a mixture
Go get a hit
Go get a hit eternal licks
Go get a hit
Go get a hit lets fix a mixture
Go get a hit
