

## Morcheeba "The Sea"

Flocking to the sea  
Crowds of people wait for me  
Sea gulls scavenge  
Steal ice cream  
Worries vanish  
Within my dream

I left my soul there  
Down by the sea  
I lost control here  
Living free

I left my soul there  
Down by the sea  
I lost control here  
Living free

Fishing boats sail past the shore  
No singin' may-day any more  
The sun is shinin'  
The water's clear  
Just you and I  
Walk along the pier

I left my soul there  
Down by the sea  
I lost control here  
Living free

I left my soul there  
Down by the sea  
I lost control here  
Living free

A cool breeze flows  
But mind the wasp  
Some get stung it's worth the cost  
I'd love to stay  
The city calls me home  
More hassles fuss and lies on the phone

I left my soul there

Down by the sea  
I lost control here  
Living free

I left my soul there  
Down by the sea  
I lost control here  
Living free

I left my soul there  
Down by the sea  
I lost control here  
Living free

I left my soul there  
Down by the sea  
I lost control with you  
And living, living  
And I, living, by the sea
