(feat. Thomas Dybdahl)

Even if we don't succeed
No worries for you and me
Even if we don't agree
No worries for you and me

The pain and the sorrow that you felt
Will be washed away
Like droplets of doubt from yesterday

Everything you need to be
Don't worry, you will be

Everything you need to see
Don't worry, safe in here

The pain and the sorrow that you felt
Will be washed away
Like droplets of doubt from yesterday

The pain and the sorrow that you felt
Will be washed away
Like remnants and doubt from yesterday
