Angels  
Smiling on my happiness  
Danger  
'Cause the scene is still a mess  
( We can all be blast )

Don't stop just yet  
We' ve got the world looking in  
Our window

Don't stop just yet  
We' ve got the world looking in  
Our window

Spacecraft  
Spinning slowly out of sight  
Peace man  
Keep on chasing the wrong guy  
( We'll see eye to eye )

Don't stop just yet

We' ve got the world looking in  
Our window

Don't stop just yet  
We' ve got the world looking in  
Our window

We' ve got the world looking in  
Our window  
We' ve got the world looking in  
Our window

Don't stop just yet  
We' ve got the world looking in  
Our window

Don't stop just yet  
We' ve got the world looking in  
Our window
