I been down  
I been around  
I been lost  
And I been found

I been dumb  
I been numb  
I been blind  
But the miracles still come

There's always a reason  
Sometimes invisible  
Always a reason, but sometimes  
You can't see them

She was gone  
By the dawn  
With her went  
The ground that I stood on

And the pain  
Fell like rain  
But it passed  
And I opened up again

There's always a reason...

Just before the quiet time  
When black of night becomes the sunrise  
You are sure that it will never shine  
I see it shining

There's always a reason...
