She Stared to cry,the doctor told me,  
She was going to leave us tonight.  
So I stifled my tears, now went into her room  
To my surprise she had a twinkle in her eye  
She said I know that I am leaving you behind  
But don't worry I'll be fine  
I will be high in the blue sky  
Among those beautiful stars

Cuz in the sky  
Oh so high  
There are beautiful stars which shine in the night  
She'll be dancing in the clouds and she'll be  
singin' in the rain  
Among those beautiful stars  
Cuz in the sky  
Oh so high  
There are beautiful stars which shine in the light  
She'll be dancing in the clouds and she'll be  
singin' in the rain  
Among those beautiful stars

Held her hand as she went  
She took her last breath  
And the tears started flowing out again  
And I went to the window and I opened it  
And there she was, she was shining in the sky  
Among those beautiful stars

Cuz in the sky  
Oh so high  
There are beautiful stars which shine in the light  
She'll be dancing in the clouds and she'll be  
singin' in the rain  
Among those beautiful stars  
Way up in the sky  
There are beautiful stars that shine in the light  
She'll be dancing in the clouds and she'll be  
singin' in the rain  
Among those beautiful stars

Five years have past

The cancer was spreading, I wouldn't last  
So I took my last breath

I was in the sky  
Oh so high  
With those beautiful stars that shine in the light  
I was dancing in the clouds and I was singin' in the  
rain  
And I saw a beautiful face  
And we were in the sky  
Oh so high  
With those beautiful stars that shine in the light  
We were dancing in the clouds, we were singin' in the  
rain  
Among those beautiful stars

We were dancing in the clouds, we were singin in the  
rain  
Among those beautiful stars
