This is high, this is mine
This is you and I
This is sunny days on Cloud 9
San Diego Bay in the spring time
This is do or die
You are beautiful like summer nights
With the windows down by the waters side
This is life, this is life

With this song, all I can think is
How I wish I could spend my life with you
Out of tune with all romantics
Still, this is the only way I'll get through

This is high, this is mine
This is you and I
This is pierre with a splash of lime
Roller coaster ride
This is do or die

With this song, all I can think is
How I wish I could spend my life with you
Out of tune with all romantics
Still, this is the only way I'll get through

Do do do do do do, do do do do do do do do do do
Do do do do do do, do do do do do do do do do do

With this song, all I can think is
How I wish I could spend my life with you
With this song, all I can think is
How I wish I could spend my life with you
With this song, all I can think is
How I wish I could spend my life with you

You are wonderful like summer nights
Little miracle, my ocean side
This is high
