I used to make you happy
Now I make you sad
Used to make you feel like living
Now you feel like dying
Used to laugh at the jokes
Now they all blow up in smoke
You need change in me
My whole life rearranged

I need an angel of mercy shining down on me
With a face of a mona lisa smiling back at me
'cause I'm a wreck out of check
I'm a jaded baby
I'm a mess I confess I'm a sinner save me
You'll make a better man

I used to give you pleasure
Now I give you pain
Making love was a buried treasure
I've forgotten to remember
I am lost in the crowd
Gotta million different faces
I don't know who I am
I am blind I wanna see it all again
I need an angel of mercy shining down on me
With a face of a mona lisa smiling back at me
'cause I'm a wreck out of check
I'm a jaded baby
I'm a mess I confess I'm a sinner save me
You'll make a better man out of me

Used to laugh at the jokes
Now they all blow up in smoke
You need change in me
My whole life rearranged
I need an angel of mercy shining down on me
With a face of a mona lisa smiling back at me
I need an angel of mercy shining down on me
With a face of a mona lisa smiling back at me
'cause I'm a wreck out of check
I'm a jaded baby
I'm a mess I confess I'm a sinner save me

You'll make a better man out of me
