I'm the one you fucked
son of the snake
deep inside her cunt
a moment I must take

spoiling in the sun
rotting past my prime
ghosts hold every grudge
its dripping down your thigh

spells read in devilish tongues
an ovation for the dead
sharing needles in ceremony
digging your own grave

bound in rosary
offering of flesh
taken to the altar
orgy of the possessed

Fingers bleed and grip the shovel
on your knees you worship death
your soul spreads in lust full sin
guests of the black mass

We know the curse but still we follow no mercy all is
...dust
Christ Denied.....

Fingers bleed and grip the shovel
on your knees you worship death
your soul spreads in lust full sin
guests of the black mass

We know the curse but still we follow no mercy all is
...dust

Hail Satanic sluts
mistress of true hate
deep inside her cunt
unleashed on her faith

I'm the the one you fucked
unrepentant carnal slave
