Know the seasons; Know the seasons of your soul
Know the seasons, Know the seasons of your soul
Know the seasons; Know the seasons of your soul
Soul - Soul, Soul - Soul - - - - - Soul

Born in Autumn, planted in the fallen soil
Once a garden now the weeds of greed and fear

Know the seasons; Know the seasons of your soul
Know the seasons, Know the seasons of your soul
Know the seasons; Know the seasons of your soul
Soul - Soul, Soul - Soul, - - - - - Soul

Follow the beckoning of your spirit heart
Out of the shadows of the evil lot
You can fly, you can fly, you can fly, you can fly

Then comes winter, you have chosen selfish goals
Malignant narcissism you have joined the king of fools
Fool - Fool, Fool - Fool, - - - - - Fool

Then comes spring time, plant a seed of love and joy
Water the flowers of every rooted girl and boy

Know the seasons; Know the seasons of your soul
Know the seasons, Know the seasons of your soul
Know the seasons; Know the seasons of your soul
Soul - Soul, Soul - Soul, - - - - - Soul

Then comes summer, bath in the living Spring
Join in the Son Light where all His children sing.

It takes a thousand angels praying to touch one heart
of stone.
And another thousand years for the Truth to be known.
You can fly, you can fly, you can fly, you can fly

Know the seasons, Know the seasons of your soul
Know the seasons, Know the seasons of your soul
Know the seasons; Know the seasons of your soul
Soul - Soul, Soul - Soul, - - - - - Soul
