Don't fall asleep
Run as fast as you can

It's the blood, there is something in the blood
I'm not mad, I just feel like killing you

I've been trying to tell how I felt so wonderful
I've been trying to tell I'm not what you used
to know
(Know) This until the day our hearts are taken
And our souls are replaced with ghosts and demons
Hollow

This is a beautiful ending let's drown in our own
blood
This is a beautiful ending let's drown in our own
blood
I'm not mad, I just feel like killing you

I've been trying to tell you how I felt so wonderful
I'm not the one you used to know
I've been trying to tell you how I felt so wonderful
I'm not the one you've known (The one you've
known)

When hell is full the dead will start walking down the
streets
No, you don't know what I have seen
You don't know where I have been
When hell is full the dead will start walking down the
streets

I've been trying to tell how I felt so wonderful
I've been trying to tell I'm not what you used
to know
(Know) This until the day our hearts are taken
And our souls are replaced with ghosts and demons
Hollow
With ghosts and demons
Hollow

This is...

This is a beautiful ending let's drown in our blood
This is a beautiful ending let's drown in our blood
No, you don't know where I have been
You don't know
