He walks in the streets  
He talks in your sleep  
He stares in your eyes  
He laughs as you cry  
Silence is his way  
Slicing thru the day  
A blinding flash of light  
Watch him kill on sight  
Hiding in the shadows  
The angers burning bright  
A twelve inch metal blade  
It's time to taste the pain

Chorus:  
Maniac...On Your Track  
Maniac...The Looser's Back

He's walking in the streets  
He's talking in your sleep  
He's staring in your eyes  
He's laughing as you cry  
Off the beaten track  
There's no turning back  
A homicidal man  
Roaming thru the land

A savage on the prowl  
It's all happening now  
Putting people to rest  
His never ending quest

Chorus:  
Maniac...On Your Track  
Maniac...The Looser's Back  
Maniac...On Your Track  
Maniac...The Looser's Back

Cutting them all down  
Salvations' underground  
A mercenary's will  
Using speed and skill  
Eating human flesh

Dressed in steel mesh  
Society's the blame  
Now he's gone insane...
