I'm thinking the wrong things  
I feel like a farce  
Singing these words just to keep from my thoughts

Alright, STOP!  
And do the PHONEY MARONY  
To fake me out of this coma  
To put me back in the zone-a  
And do the PHONEY MARONY

I was feeling a little depressed  
Kind of insane, kind of not well-dressed  
I gotta get happier  
I gotta get snappier

I GOTTA GET PAID!  
TO GET BAKED!  
OR GET FUCKED!

Just do the PHONEY MARONY  
To fake me out of this coma  
To put me back in the zone-a
