Arrogance

Every time you look in the mirror  
Can't you see it?  
You go on, on and on,  
It's all about you.  
You keep on acting like you were a queen.  
If so then you're the worst I've ever seen  
And I'd give all that God could make,  
If only I could see you break,  
Your kind they all go down in time

Look down on me, and I don't look up to you  
I have so many other things to do.  
And I'd give all that God could make,  
If only I could see you break,  
Your kind they all go down in time
