The day after the night before
Remember nothing as I face the floor
Pounding headache, a smell of death
I guess it must be my own breath

Remember girls
And plenty of booze
And my tequila desire

Striptease, the metal police
Then I remember nothing more
Because I was passed out on
Tequila blackout

Rise and shine, a stoop and puke
Ohh shit, I'm freezing and ohh, god I'm nude
I've been arrested that's for sure
Or else I wouldn't face this goddamn floor

Remember girls
And plenty of booze
And my tequila desire

Striptease, the metal police
Then I remember nothing more
Because I was passed out on
Tequila

[Incomprehensible]

Remember girls
And plenty of booze
And my tequila desire

Striptease, the metal police
Then I remember nothing more
Because I was passed out on
Tequila blackout

Ohh, I passed out on Tequila blackout
Ohh, I passed out on Tequila blackout
Ohh, I passed out on Tequila blackout

Ohh, I passed out on Tequila
