Even if we're through
I'll always love you
No matter what happens to you
Forever I will love you
Nothing can change the way
I acted in front of you
Sometimes funny and sometimes rude
But I will always love you

Why do I do the things I do?
It's because I love you
Nobody can stop you
From moving on
But are you for real?
Is this what you want?
It's fine with me
But I'll be here for you
Always and forever
Never forget me
And I'll never forget you
And all the things that you do
