So you wanna dance to this gangsta swing

Cause it ain't no thing for me to con ya ass

Cause ya fucking with a teenage pimp, hoe, I put you

Running your motherfucking fingers down to the bone

Bitch, daddy's home

Chorus:

Word to the D y'all, word to the motherfucking D y'all

Word to the D y'all, word to the motherfucking D

Word to the D y'all, word to the motherfucking D y'all

Word to the D (ain't nothing but bitches and money)

[AMG]

A punk motherfucker, with a punk motherfucking crew

Saying my jams aint hittin, you must be bullshittin

Look at the pull im gettin

Well I'm making my money legally and illegally

Sucker motherfuckers cant get with me

But wait until the tape drops, and watch all the stupid

They wanna ride this dick like a motherfucking cowboy

But I ain't down boy, cause a bitch ain't nothin but a
