Chorus:

(Dub me,) [Repeated]
Dub me crazy (Dub me crazy)
Dub me crazy...
Feels so amazing (Feels so amazing)
Dub me crazy...
Dub me crazy (Dub me crazy)
Dub me crazy...
Feels so amazing (Feels so amazing)
Dub me crazy,

1st Verse:

I've got a decent intention,
Facing my reaction,
That we made the connection,
So come and roll with me.
I just want you to hold me,
But don't try and control me,
'Cause you'll just stand up all lonely,
Boy you go...

Pre-chorus:

So lets go baby, you can drive me crazy, boy you got
me craving.
So lets get crazy, our chemistry is blazing, It's driving
me crazy.
So you can,

Chorus:

Dub me crazy (Dub me crazy)
Dub me crazy...
Feels so amazing (Feels so amazing)
Dub me crazy...
Dub me crazy (Dub me crazy)
Dub me crazy...
Feels so amazing (Feels so amazing)
Dub me crazy,

2nd Verse:

My body's feeling frustrated,
'Cause there's this tension between us,

It's got me thinking x-rated,
Burning inside of me.
I know you don't really know me,
But when the base sends up through me,
You can feel my vibrating
Baby I loose... (control)

Pre-chorus:

So lets go baby, you can drive me crazy, boy you got
me craving.
So lets get crazy, our chemistry is blazing, It's driving
me crazy.
So you can,

Chorus:

Dub me crazy (Dub me crazy)
Dub me crazy...
Feels so amazing (Feels so amazing)
Dub me crazy...
Dub me crazy (Dub me crazy)
Dub me crazy...
Feels so amazing (Feels so amazing)
Dub me crazy,
