You more for me than diamonds and pearls

I wouldn't chance it for the world  
You're more for me than diamonds and pearls  
I say it all the time baby!!!  
Your LOVE means the world to me (Baby)

Chorus

Cause you're all I've dreamed a women to be  
(You're more than the world to me)  
You're like a star come down from heaven to me  
(You're more than the world to me)  
If not with you, I rather be lonely  
Cause you're once, twice, 3 times a women.

I'd rather be alone than be with someone else  
Cause with you I'm home it's like nowhere else  
I feel alive, with you by my side  
Every day with you it's like paradise

It's like singing lullabies to a child when he cries  
That's how I feel with you Every day and night  
How you know! Story of my life before you came  
around  
It's like I'm breaking new ground, with you being  
around, yeah!!!

Chorus

Cause you're all a dream a women to be  
(You're more than the world to me)  
You're like a star come down from heaven to me  
(You're more than the world to me)  
If not with you, I rather be lonely  
Cause your once, twice, 3 times a women.  
(A woman mmm)

I could never be caught alone in the rain  
Cause you're my sunshine lady  
You bring sunshine every day  
And chase all the clouds away  
You shining so bright, with your baby face  
You're my weather lady, ooh! You give me good LOVE

Oh Yeah!

Chorus

Yes you're all a dreamed a women to be  
(You're more than the world to me)  
You're like a star come down from heaven to me  
(You're more than the world to me)  
If not with you I rather be lonely  
Cause you once, twice, 3 times a women.  
(A woman mmm)

More than the average women  
More than my eyes have seen  
More than the average women  
More than my eyes have seen

Baby!!!!

Chorus

You're all I've dreamed a women to be  
(You're more than the world to me)  
You're like a star come down from heaven to me  
(You're more than the world to me)

Cause you're once, twice, 3 times a women.
