OOOhhh..Ohhhh..Ohhh Yeahhh
Heyyy..Heyyy...Heyyyyyyy
Jah come help our falling race..falling race 2x
Help our people find themselves..find themselves 2x

We've lost our sight through the d???
Blinded by the illusion of slave a s???
They took us from our homeland of wealth and truth
And went back and stole the proof of our history truth

Now they question proof of our origin
I reply by saying proof is in our lionage
The lion of father Abraham, Isaac and Jacob
Our people should know this is from once they
come..Yeah

Jah come help our falling race..falling race 2x
Help our people find themselves..find themselves 2x

A lot of people trust in the pope of Rome
The only hope for my people is King David's throne
The only throne on earth that represents the truth
The covenant of Jah and David is the truth
Which man let us know that David's throne is still
around?
Emperor Haile Selassie the light and the word to
escape this here misery
Jah come help our falling race..falling race 2x
Help our people find themselves..find themselves 2x

Jah I know you disappointed in our people
Too much of us have lost our trust in you
Too much needs bow down today..bow down today
Over too much darkness prevail
Through the journey of slavery we've lost ourselves
Four hundred years still our culture mends
Melt away to nothing Jah we need your help
OOhh Jah we need your help

People find yourself..find yourself
People find yourself..find yourself
Cuz I know the truth is hidden deep within our spirit and

our bloodline

Search within yourself..search within yourself
People search within yourself..search within yourself
And you will find the truth that's hidden deep within
your spirit and your bloodline
