Intro:

Ooh yey yea yeeah

Ooooh yeeea

IÂ'm coming home baby just hold on

Yeeah

Verse 1:

Ooh yey yeah yeeeah

Ooh yeah

IÂ'm coming home (yeah)

There was a time when all I wanted to do

Was only the things that mattered to me (yeeah)

But when a man and a woman builds their home

A manÂ's gotta do what his family needs him to do

Chorus:

But when I come home everything should be alright

So mammy hold on everything will be just fine

So IÂ'm coming everything should be alright

So baby hold on everything will be just fine

Verse 2:

Said I know I know you that you miss me baby

And I know the children too

So many times IÂ'm not so far away

ItÂ's not a few that carry me through my day

ItÂ's not easy for a man to live this way

But I do thatÂ's why I pray that

Chorus:

When I come home everything should be alright

So mammy hold on everything will be just fine

So IÂ'm coming home everything should be alright

So baby hold on everything will be just fine

Bridge:

yeah

Hoooold on mmmmmm

Hoooold on

YouÂ've got to hooooold on

You just learn to hoooold on

yeah

Chorus:

When I come home everything should be alright
So mammy hold on everything will be just fine
So IÂ'm coming everything should be alright
So baby hold on everything will be just fine
