Said I know the deal
Hey
I know the number one reason why you havent been
smiling
Yea, yea, yea, yeayea
Its something I aint done yet
And its breakng my mind
cuz its something i been thinkn bout
all the time
So let me slow it down
Lets me sing you a line

See i know just what you like
i know just how u feel
i can see it in your eyes
best believe i know the deal
i know u want me in your life
and with u thats how i feel
so me wanna take u for the night
lets make this love official

say goodbye to your lonely days
cuz im here and only to stay, yeah
this ring i give to u on this day
its so you can know that im for real
oh baby

See i know just what you like
i know just how u feel
i can see it in your eyes
best believe i know the deal
i know u want me in your life
and with u thats how i feel
so me wanna take u for the night
lets make this love official yeah

in this feeling so strong
