I've lifted mine eyes and I've seen the sign of the time
Daddy Marcus prophesied dem ya tings long time
The ignorance of our people have held us captive of
our minds
Can't you see we're running out of time

Let's change our lives my brothers and sisters
Answer the calling of the father
He's the only one that's willing to save us devine

Get ready for a new time, I've seen a new sign
The Nyabinghi Iyabingi chant right
Mother Nature reveal it
And I do believe it

'Cause we know we're not gonna get away
From the wrongs we continue to display
A scripture from the Good Book say
According to our works we shall get paid

We gotta be sure the things we've done
Have been worthy under the sun

Get ready for a new time, I've seen a new sign
The Nyabinghi Iyabingi chant right
Mother Nature reveal it
And I do believe it

Get ready for a new time, I've seen a new sign
The Nyabinghi Iyabingi chant right
Mother Nature reveal it
And I do believe it

There's a way to live with and a way to love
The other race that you might hate
'Cause in this new time we've got to live to love
And everyone learn appreciate

Let's change our lives brothers and sisters
Answer the calling of the Father
He's the only one that's willing to save us devine

Get ready for a new time, I've seen a new sign
The Nyabinghi lyabingi chant right
Mother Nature reveal it
And I do believe it

Get ready for a new time, I've seen a new sign
The Nyabinghi lyabingi chant right
Mother Nature reveal it
And I do believe it

'Cause we know we're not gonna get away
From the wrongs we continue to display
A scripture from the Good Book say
According to our works we shall get paid

We gotta be sure the things we've done
Have been worthy under the sun
