From sunrise to sunset - Selassie
We know, Jah giveth on each I care (??)
Wisdom, O Jah

I've seen the sun overhead, shining bright - so bright
To you and you it feels so nice
Yes, I know, Jah made this light, light
I've seen the sun
I've seen the sun overhead, shining bright - so bright
To you and you it feels so nice
Yes, I know, Jah made this light, light

Well, I've seen it over Rome
I've seen it here at home
Seen it in the motherland
Even over England
And though they were all different places in location
All eyes beheld the beauty of Jah creation
Only if we could take the example of Jah Son
It would help us to live our lives as one, ooh yeah

I've seen the moon, in the night, shining bright - so bright
To you and you it feels so nice
Yes, I know, Jah made this light, light
I've seen the moon
Seen the moon, in the night, shining bright
To you and you it feels so nice
Yes, I know, Jah made this light, light

I've seen it in China
I've seen it in Australia
I've seen it in Germany
Even in the Middle East
And though they were all different places in location
All eyes beheld the beauty of Jah creation
Only if we could take the example of the moon
It would help us to live our lives in truth, truth

Hear what I say!
Seen the sun overhead, shining bright - shines so bright

To you and you it feels so nice
Yes, I know, Jah made this light, light
I've seen the sun
I've seen the sun overhead, shining bright
To you and you it feels so nice
Yes, I know, Jah made this light, this light

Unto Zion day! said, unto Zion day
