Read me the letter, baby
Do not leave out the words
Stories and cigarettes
Ruined lives of lesser girls
And I wanna know
Cause I want you to know

And it's a strange condition
Condition, condition

Send me the money, baby
Do not leave out the wage
You know you're the best thing ever
To come out of this place
Hey I want you to know
Cause I wanna know

And it's a strange condition
A day in prison
It's got me out of my head
And I don't know what I came for
I want you to know

So leave out the others, baby
Say I'm the only one
Cut out the uniforms
And settle with the sun
Hey I want you to know

Cause I wanna know

And it's a strange condition
A day in prison
It's got me outta my head
And I don't know what I came for
I want you to know

I want you to know
I want you to know
I want you to know

I want you to know
I want you to know

And it's a strange condition, condition
And it's a strange condition, condition
