Today's all burnt toast
Runnin' late, dad jokes
Has anybody seen my left shoe?

Close my eyes, take a bite
Grab a ride, laugh out loud
There it is up on the roof.

I've been there I survived, so just take my advice
Hang in there baby, things are crazy

But i know your future's right

Hang in there baby, there's no maybe
Everything turns out alright
Sure life is up & down but trust me
It comes back around
You're gonna love who you turn out to be

Hang in there baby.
