Heyy, Heyyy, Heyyyy, ohhhh
I'm the kind of girl who doesn't say a word
who sits at the curb, and waits for the world
but I'm about to break out, about to break out
I'm like a crook tonight
I caught you staring at me and I was thinking clearly
now I'm like a bee, and I'm huntin for the honey
and I'm kinda shy, but you're super fly, yeah
I could be your kryponite
(like) OHHHH, light my heart up baby like a matchstick
OHHHH, and hit the gas quick
Ready or not, here I come
where you at? the night is young,
In the crowd the music's loud but I will find you.
Ready or not, here i come,
I like your face, do you like my song?
just singing la de la de da da , and I'll find you.
Ready or not , ready or not
Hello my name is, nice to meet you
I think you're famous, where have i seen you?
You'll be my Willson, I'll be your Katie, living like a fake
tale.
We could have a palace right next to Oprah,
37 cars and a yacht down in Boca,
Take me away, where ever you say, yeah, we could be
setting sail
Like, OHHHHH, light my heart up baby like a match
stick
OHHHHH, hit the gas quick,
Ready or not, here i come,
where you at? the night is young,
In the crowd the music's loud, but i will find you.
Ready or not, here i come,
I like your face, do you like my song?
just singing la la la la la la , and I'll find you.
Ready or not , ready or not (not), ohh
Ready or not, here i come, here i come,
your like a breath of fresh air in my lungs,
you and me dance from the night to the dawn,
ready or not here i come, boy it's on.
Ready or not here i come, here i come
you're like a breath of fresh air in my lungs

you and me dance from the night to the dawn
ready or not here i come, boy it's on
Ready or not, here i come,
where you at? the night is young
In the crowd, the music's loud, but I will find you
Ready or not, here i come,
I like your face, do you like my song?
just singing la la la la la la , and I'll find you.
Ready or not (ohhhh)
Ready or not [x2]
ready or not, ready or not , boom-bada-boom-bada-
boom-bada
Ready or Not
