"Never"

Never touch, never feel,
Never see, never dream,
Never learn, never laugh,
Never cry, never scream,
Never hold, never love,
Never give, never take,
And never live again.

Once full of life,
A living cell.
Once full of time,
Your time's ended now.

Once full of dreams,
Body and soul.
Once full of fire,
To fulfill life's goal.

Never touch, never feel,
Never see, never dream,
Never learn, never laugh,
Never cry, never scream,
Never hold, never love,
Never give, never take,
And never live again.

A state of mind,

Honest or deceive.
Life or death,
Shall be received.

A love for flight,
Victim of chance.
Parade in risk,
A deadly dance.

Never touch, never feel,
Never see, never dream,
Never learn, never laugh,
Never cry, never scream,
Never hold, never love,

Never give, never take,
And never live again.

Never touch, never feel,
Never see, never dream,
Never touch, never feel,
Never see, never dream,
Never learn, never laugh,
Never cry, never scream,
Never hold, never love,
Never give, never take,
And never live again.
