"The Edge"

I am lost down an endless road.
Which path do I follow?
Which path do I follow?
I have all I need, and I still
want more.

Greed is inside of me, it won't leave.
Give me more, cause I need more.
A little bit more and I will be fine.
I thank you now, that's just what
I wanted.

Sorry I took from you, now I have all

I need.
Please forgive me, forgive me.
Did I hurt you? Don't care if I hurt you.

So what if I lie and cheat and steal
anyway.
It's over now, devils got my soul,
I hear the angels sing, the angels
sing for me.

Please forgive me, forgive me.
