When some get together and think of rap, they tend to think of violence

But when they are challenged on some rock group, the result is always silence

Even before the rock and roll era, violence played a big part in music

It's all according to your meaning of violence and how or in which way you use

it

No, it's not violent to show in movies the destruction of the human body

But yes, of course it's violent to protect yourself at a party

And, oh no, it's not violent when under the christmas tree is a look-alike gun

But, yes, of course it's violent to have an album like KRS-One

By all means necessary, it's time to end the hypocrisy

What I call violence, I can't do , but your kind of violence is stopping me

By all means necessary, the rap audience must grow up

The same type of fightin' we do, they do except we've got nothing to blow up

It doesn't matter if you win or lose, it's only how good you play the game

This is the oldest sneak attack, because it takes away

our senses to gain

If all I do is play the game then I am just mediocre

We strive to be the best we can be, not to just get over

Some people say that life on a whole is serious and  
nothing is funny

That's only if you base your life around competition  
and money

Yeah, I'm making some money, he's making some  
money, but none of these things

are necessities

What I find to be a necessity is controlling a positive  
destiny

With this, money, fame, glory and credit will come in  
time

The people down with me know this every minute they  
hear me sayin rhymes

I got some friends, I got some allies like Stet, and Big  
Daddy Kane

They know that by all means necessary that peace is  
the name of this game

Whether peace by war, or peace by peace, the reality  
of peace is scary

But we must get there, one way or another, By all  
means necessary.
