"What If"

Darling, it's so likely to be that you'd fall for me again,
but only time will tell.
Come on, don't fool yourself.
Don't be ridiculous, because I'm digging my own grave.
There's only one way in this case..
One way in this case.

We all need a reason to believe,
because I know that you never believed in me.

Woah-oh, oh, oh, oh!
What if I? What if I?
Woah-oh, oh, oh, oh!
What if I never knew your name?

You can't help but feel the way that you feel
and your addiction to yourself
'Cause you don't know a thing about,
don't know a thing about love.
'Cause I wouldn't buy a word that you spoke,
unless you end up dead.

We all need a reason to believe,
because I know that you never believed in me.

Woah-oh, oh, oh, oh!
What if I? What if I?
Woah-oh, oh, oh, oh!
What if I never knew your name?
I never knew your name.
Woah-oh, oh, oh, oh!
What if I never knew your name?

Woah-oh, oh, oh, oh!
What if I never knew your name?
(Woah-oh, oh, oh, oh!)
(Woah-oh, oh, oh, oh!)

We all need a reason to believe,
because I know that you never believed in me.

Woah-oh, oh, oh, oh

what if I, what if I?

Woah-oh, oh, oh, oh!

What if I never knew your name?

(Woah-oh, oh, oh, oh!)

(Woah-oh, oh, oh, oh!)

I never knew your name.

Woah-oh, oh, oh, oh!

What if I never knew your name?
